Points to Note:

1. As the scheme has now closed to new applicants, focus is on progressing submitted applications through to a final rejection or paid decision.
2. Some applications are presently identified as 'To be Confirmed' on a geographical basis. These relate to instances where postcodes have not immediately been recognised by Invest NI's automated Postcode checker. This could be because the postcode was not entered, was entered incorrectly or is a recently created or amended postcode. Such instances are corrected manually by Invest NI as the scheme progresses.
